

TWG Capital Recognized as Top 25 Fastest Growing Company

INDIANAPOLIS, September 29, 2008 – [TWG Capital](#), the leading provider of financial solutions for the insurance industry, is named a [Top 25 Fastest Growing Company for 2008](#) by [Indianapolis Business Journal \(IBJ\)](#).

“Insurance agencies, like other businesses, have always had a need for capital to expand their business,” says TWG Capital President [Melanie Otto](#). “This need has long been ignored by traditional lenders. TWG Capital has combined insurance industry expertise with capital market financing to serve the insurance producers niche.”

IBJ Publisher Chris Katterjohn says that despite the tough economy, there is still growth. “More importantly, it means that while we are still in challenging economic times, the environment is still ripe for companies to continue in their growth modes,” says Katterjohn. “Much of the success depends on the niche the businesses are in and the people who manage them.”

With an [account management team](#) comprised of licensed agents, and the majority of staff with either banking or insurance industry experience, Otto says it’s the employees that make the difference. “Our knowledgeable staff is dedicated to [customizing solutions](#) that help agents accelerate their future, grow their business or even retire early.”

IBJ compiles its annual list based on revenue, location and founding date that must occur prior to January 1, 2005. [View the complete list](#).
